

## “THANKFUL HEARTS & VOICES RAISE” Fall Generosity Emphasis at Good Soil

*Let us come into God's presence with thanksgiving; let us make a joyful noise to God with songs of praise! - Psalm 95:2*

**Thank you for your generosity! Your financial gifts empower our service in Christ's name (Romans 12:13).**

- † Please commit to your 2025 giving and **submit an intent by Sunday, October 27**. You can place it in the offering plate, send it by mail, or use the QR code.
- † **Our goal is to reach at least 25 givers (individuals or households) who give automatically.** Consider using the new contributions platform Pushpay or set up automatic giving through your bank (in many cases, a free service which does not charge a 2% fee to the church like Pushpay).
- † Stop by the **'Help Lab'** with volunteers to assist you with your questions following worship in the lounge on October 6, 13, and 20.
- † **How much should I give? How often should I give?** That's up to you and the Holy Spirit! Whether you prefer to place something in the offering plate, submit through mail, or schedule weekly, monthly, or for the entire year, the decision is yours, and everyone is on a generosity journey.
  - **NOTE:** Those 72 or older who have an Individual Retirement Account (IRA), your Required Minimum Distribution (RMD) can be directed as a Qualified Charitable Distribution (QCD) to Good Soil.
